EAPS FACULTY/STAFF RESOURCE FUND

The EAPS Faculty and Staff Resource Fund provides faculty and full-time, permanent staff with a simple, open, and transparent way to request resources they need to be productive in their work. This is not intended to replace other sources (e.g., grants, discretionary accounts, start-up, competitive programs on campus, and usual supplies and expenses), rather it is to meet occasional needs that are important for individual productivity and advancement in cases where these other sources are not available to an individual. Examples include professional development course tuition, office needs, and professional conferences...

Procedure: Applications to the fund should be sent via email (as a pdf) to the Assistant Department Head. Requests must include the following items and not exceed one page:

- applicants name, position title, email address
- a detailed, one paragraph description of what is being requested
- a short explanation of how this will help the individual be productive in their work
- amount requested (this program will accept requests between $200 and $2,000)
- time constraints on what is being requested (e.g., a deadline for registration) Request deadline is the 20th of each month. Decisions will be made by the 5th of the following month.

All requests will be reviewed by a group including the Assistant Department Head, the Business Manager, and at least two members of the EAPS Executive Committee.

INTERNATIONAL FRIENDSHIP PROGRAM
RECRUITING IN FULL SWING!

As Purdue faculty and staff, you have the opportunity to build rewarding friendships with international students who are eager to learn about American culture from ‘real’ American families. The International Friendship Program provides an easy way to make these connections happen.

Volunteer hosts get together once a month with their assigned students, or 3 or 4 times during the student’s first semester at Purdue. Hosts typically invite students into their homes and normal everyday activities.

New hosts must attend a host orientation. Sign up here for a session time, or contact friendship@purdue.edu for more information.

PARKING PERMITS EXPIRE AUG. 15; ONLINE RENEWAL AVAILABLE NOW

All parking permits at the West Lafayette campus are set to expire on Aug. 15. To purchase or renew a parking permit, visit the Parking Facilities website and choose “Purchase Permit,” followed by “Get Permits.” Employees who have disability parking needs should contact Parking Facilities before renewing their permit online.

Employees will receive their parking permits via campus mail.

Questions about purchasing or renewing parking permits should be directed to Parking Facilities at 765-494-9497 or parking@purdue.edu.

HUMAN RESOURCES ANNOUNCES NEW BENEFIT ENROLLMENT SYSTEM; ACTION REQUESTED

Faculty and staff will see a new benefit enrollment process, as Human Resources rolls out a new benefits enrollment system beginning July 5.

The new “BenefitFocus” system will take the place of the current EBenefits enrollment tool -- and will give faculty, staff and graduate staff a fresh, user-friendly look and feel as they enroll in and manage their benefits. (* Graduate staff on the West Lafayette campus only.)

New enrollment processes:

Faculty and staff will use this new system beginning in July to manage and update their benefits for occasions such as:

* Life events (change in family status).
* Adjusting HSA contributions.
* New hire enrollments.
* Reviewing personal benefit summaries.
* Updating life insurance beneficiaries.

In August, graduate staff on the West Lafayette campus will complete the enrollment process through the new tool and then, later in the fall, employees will enroll for 2018 benefits coverage during the annual open enrollment period.

Important changes

It is important to note a few changes occurring with this transition:

• All faculty and staff will be asked to enter new beneficiary information for life insurance plans.

Some voluntary benefit plans will have carrier changes. Purdue has made arrangements that allow employees to keep their same plan coverage at the same or reduced premiums.

• Critical Illness insurance coverage is moving from Unum to MetLife -- Employees currently covered by the Critical Illness plan through Unum will have their coverage moved automatically to MetLife. Premiums for the coverage have been decreased while the coverage levels remain the same.

• Accident Insurance coverage is moving from Trustmark to MetLife -- Employees currently covered by the Accident Insurance plan through Trustmark also will move automatically to MetLife. Again, premiums will be reduced for the same coverage levels.

• Universal Life Insurance coverage -- Employees currently covered by the Universal Life plan...
through Trustmark will keep the same coverage at the same premiums; however, they no longer will pay through payroll deduction. Trustmark will send information to employees to set up direct payment arrangements.

Assistance is available to help navigate the new system and answer questions by contacting Human Resources at 765-494-2222 or hr@purdue.edu.
