**UNC CHARLOTTE HIRING A LAB TECHNICIAN-RESEARCH OPERATIONS MANAGER**

Applications due Sept 19, 2022

UNC Charlotte is hiring a lab technician (Research Operations Manager) to serve the Department of Geography & Earth Sciences. This position would be great for a recent MS or even PhD grad that has had hands-on lab and equipment experience.

---

[http://www.eaps.purdue.edu/](http://www.eaps.purdue.edu/)
experience, is good at troubleshooting, wants to be involved in research and even training and interacting with students (for lab and safety work) but not so interested in joining the academy as a faculty member. The Department is involved in a wide-range of lab-based research ranging from rock mechanics, to hydrogeology, to geochemistry to biogeochemistry.

**IUPUI LABORATORY MANAGER**

IUPUI Earth Sciences is seeking a Laboratory Manager who is innovative, can solve analytical and research challenges, and is committed to our departmental ethos of student-centered equity, diversity, and inclusion. We want a collaborative and creative individual who can manage and coordinate laboratory activities for students and faculty, and engage with the progression of research projects that make substantive strides toward solving the most critical problems in earth and environmental sciences. The Laboratory Manager will oversee the activities and students of multiple laboratories, provide training to lab users, and assure observation of safety policies. Research experience at the MS level or above is preferred, but we are open to considering the full spectrum of talents that choose to apply. Contact Gabriel Filippelli (gfilippe@iu.edu) with questions. To apply - go to jobs.iu.edu and click the appropriate link for external candidate or current employee then in the search bar at the top of the page, enter this position #: 301753
